

Community Engagement: Ideas, Stories and Change That Matters

October 4 - 6, Indianapolis

Call for Presentation Proposals in Community Engagement DUE JULY 7

Annual Convening of the Arts

We are proud to present our new annual convening of Indiana's statewide arts community: artists, arts organizations, arts educators, arts supporters — anyone and everyone who wants to come together and grow Indiana's vibrant arts scene. There, arts peers will celebrate, connect, and gain new skills for engaging their community.

Call for Presentation Proposals - Two Opportunities!

Celebrating this year's theme, **"Community Engagement: Ideas, Stories and Change That Matters"** we seek to highlight, recognize, and share the great community engagement work happening throughout the state through two opportunities:

- 1) Session Presenter:** share a highly engaging 10-15 minute presentation of your community engagement work;
- 2) InstaGrant Participant:** enter for the chance to receive the 2017 Indiana Arts Homecoming InstaGrant award (which will range from \$2,500 up to \$5,000) to recognize the great work you're doing.

About Session Presenter

Do you have an awesome story to share about how you or your organization has created meaningful, transformative relationships in your community? Help your peers learn how and why community engagement is so important by sharing your own personal experience at a moderated session on October 5. Presentations should be 10-15 minutes in length. 3 - 4 presenter slots will be available.

About InstaGrant - Must be present to win!

11 proposals (1 from each region of the state) will be selected to compete. If selected, you will receive one \$175 scholarship (for travel, lodging, etc.) plus free registration so that you can come present. The top 4 will:

- Be announced at the last session of the convening at 2:00 pm, Friday, October 6.
- Immediately present (up to 5 minutes, no more than 5 slides) to their fellow convenors.

Convening participants will select the winner from among those 4 by Hoot 'n Holler. The lucky InstaGrantee must come back to next year's convening and tell us about how your new year in community engagement went.

Eligibility

You can submit a proposal to be either a Session Presenter, an InstaGrant participant, or **BOTH**. Do it [HERE](#)!

We're ready to hit the gas – but this opportunity CLOSSES July 7. Don't miss out.
